

2021 Scholars Selected

Congratulations to our 2021 Scholars! This year we are excited to announce that we have chosen a total of 47 new Dolphin Scholars which includes two USS Colorado (SSN 788) Scholars, three Laura W. Bush Scholars, two USS Hampton (SSN 767) Scholars, and two USS Nautilus Scholars. All were selected not solely on their academic achievement, but also on extracurricular activities, job experience, involvement in the community, references and essays.

As always the task of selecting the recipients was challenging as all 129 eligible candidates were well qualified for the scholarship. We wish all our new scholars success in their academic careers.

Our selection committee this year was comprised of both civilians and military members of the submarine community. These members included Mrs. Jane Duffey, *daughter of DSF founder*; Mr. Dean Dunn, *Assistant Director, Office of Research Grants at American Chemical Society and Dolphin Scholar Alum*; CMDCM(SS) Jeff Hiscocks, *Submarine Squadron 11*; Mrs. Alice Z. Meinicke, *retired submarine spouse and DSF volunteer*; Mrs. Dana Richardson, *former DSF Chairperson*; CMDCM(SS) Raj Sodhi; Mrs. Suzanne Tofalo, *former DSF Chairperson*; and Mrs. Diane Williams, *former Naval Officer and DSF Scholar parent*.

We greatly appreciate all the time and care the committee took in selecting our new scholars!

“To be a Dolphin Scholar is an honor. It is a testament to my years of hard work in high school as well as my heritage as part of the submarine family. I’m exceptionally grateful for this award and I hope to make the submarine community proud.” - Zachary Nunez

“I am proud and grateful to be chosen as a Dolphin Scholar. I have grown up around the Navy and am deeply appreciative of our Armed Services. Thank you to the Dolphin Scholarship Foundation and its generous sponsors for their support as I continue my education.” - Andrew Kuhn

“Being a Laura W. Bush Scholar means that my father’s dedication to the Navy and our country is being paid back in order to help me go on and do great things. I am extremely grateful for this opportunity and intend to work very hard over the next four years of my education.” - Madison Shaw

Hello DSF Family,

I hope that you all are having a wonderful summer, took a great vacation or staycation, and made some cherished memories with family and friends!

Please join me in congratulating our 47 newly selected Dolphin Scholars!! Welcome to the Dolphin Scholar Alumni. I wish you all the best and great academic success in the upcoming school year.

I want to acknowledge all our DSF supporters for their unwavering support of the Dolphin Scholarship Program. Thank you for partnering with DSF in making it possible to turn dreams into reality for 114 sons, daughters, and spouses of the submarine community one scholarship at a time. Your belief in the DSF mission is greatly appreciated.

I am continuously amazed by the innovation, creativity, and dedication of the submarine community spouse groups in their fundraising efforts in support of the Dolphin Scholarship Program. Despite the many restrictions that we currently face with hosting live fundraising events, the officer and chief spouses found a way to make things happen and with great success! Their combined efforts resulted in raising over \$99,000, which greatly contributed to the over \$340,000 in scholarship funds distributed in FY 2022. To all the submarine spouse groups that made a difference, we are very grateful for your support!

A special shout out goes to the DSF Scholar Parent Association (SPA). For the second consecutive year, SPA donations have funded one Scholar Parent Association Scholarship. Thank you so much SPA parents for paying it forward!

Beginning in August 2021, DSF raised the annual scholarship award amount to \$2,100 and \$3,500, raising the maximum value of a Dolphin Scholarship from \$13,600 to \$14,000. It is our goal to eventually increase the DSF scholarship annual award to \$2,600 and \$4,000 but it must be done in an incremental and sustainable manner due to the sheer number of scholarships that the foundation awards and their renewable nature. I am confident that this goal can be reached with the continued generosity of our DSF supporters.

Until next time, stay safe and healthy everyone. Thank you again for your support and Hooyah Submarine Force!!

Aug. 2, 2021

Greetings,

I am beyond grateful for the Dolphin Scholarship that I was awarded in 2017. As the youngest of three siblings that received assistance from DSF, I have been incredibly honored to represent a distinguished group of scholars and the submarine community. DSF has provided continuing encouragement throughout my studies along with the financial award.

In May of 2021, I graduated Summa Cum Laude with majors in Mathematics, Biology, and Computer Science from Wisconsin Lutheran College in Milwaukee, WI. My undergraduate experience assisted in my preparation for graduate school through leadership opportunities, research projects, and collaborative events. I worked as a Team Leader in the Technology Department and served as the President of the Computer Science Club. I also had the opportunity to perform summer research at Indiana University-Purdue University Indianapolis and present my work at the Nebraska Conference for Undergraduate Women in Mathematics.

After getting married this summer, I am beginning my graduate studies at Marquette University and working toward a PhD in Computational Mathematical and Statistical Sciences. I am eager to continue my academic studies in a setting where computational tools and applied mathematics are used to solve problems in biology and medicine. Thank you again for the generous assistance that has helped me prepare for a career that I am passionate about.

Best,

Mandy Abernathy

Mrs. Kathy Grossenbacher Scholarship

Katherine “Kathy” Grossenbacher has lived a U.S. Navy life. Born at Naval Station Guantanamo Bay in 1947, she was the daughter of a Navy pilot. She was also the wife of a Navy submarine officer, and mentored and supported innumerable submarine spouses and families over the years.

She served as President of Dolphin Scholarship Foundation (DSF) from 2000 to 2003 when her husband was Commander, Submarine Force Atlantic. Kathy was proud of the accomplishments that took place during her tenure with the DSF, and some of the initiatives she helped spearhead set it on a course that continues to this day.

Kathy has lived in more than 25 places, her favorites being Paris as a teenager and Naples, Italy when her husband was stationed at NSA Naples. She currently resides in Chicago and is a proud grandmother.

Submarine Spouse Groups Making a Difference!!

Page 15

Between December 2020 and May 2021, the Dolphin Scholarship Foundation received several generous donations from the San Diego Spouse Community. These donations totaled \$18,538.33 and were raised during their Tote Bag and Submarine Birthday Virtual 5K Run/Walk Fundraisers. The total donation is enough to fund five Dolphin Scholarships for the 2021-22 academic year. We cannot thank the San Diego Spouse Community enough for their continued efforts to raise awareness of the DSF and for choosing us to benefit from these outstanding events.

SOSA - Washington held the 2021 Virtual Submarine Race: "Operation Dolphin Strong" followed by a mini Silent Auction, May 15-31, 2021. Thanks to the hard work of some very dedicated volunteers, the Dolphin Scholarship Foundation received a generous donation of \$5,400 on June 25, 2021, plus another donation of \$522.00 for a total of \$5,922.

On June 25, 2021, DSF received an extremely generous donation of \$25,562.62 from the dedicated volunteers of the Pearl Harbor Submarine Officers' Spouses' Charitable Association. These funds were raised from the sale of their Best Fed in the Fleet Cookbook fundraiser. This is a shining example of our SOSA groups finding ways to continue supporting the DSF mission even during a pandemic. Thank you PHSOSCA!!

On June 28, 2021, DSF received a very generous donation of \$6,000 from the Pearl Harbor Dolphin Store. Thank you so much for your dedication of time and effort to keep one of only two remaining Dolphin Stores going strong!

Dolphin Scholarship Foundation also received a very generous donation from the Kings Bay SOSCA in the amount of \$16,796.39 on June 28, 2021. These funds were raised during their first ever fully virtual Silver and Gold Auction. The evening's theme, "A Night in Havana," was held on April 24, 2021. We are grateful for the hard working volunteers of KBSOSCA and so very thankful for your continued support of the DSF mission.

The Dolphin Scholarship Foundation would like to give a big THANK YOU to all of our spouse groups. You and your volunteers have worked hard in these unprecedented times and have come up with unique and creative ways to continue to support the DSF program even in the midst of a pandemic. We cannot thank you enough!
